Youville Centre

March 2020 update re COVID-19

**Dear Valued Youville Centre Supporter,**

I am writing during this challenging time, as our city has entered a period of crisis due to the rapid spread of the COVID-19 virus.

Our building is currently closed until April 1, 2020, as per Doug Ford's announcement. Our staff have transitioned to working remotely, we have cancelled or postponed all public events and building tours until further notice, and we have temporary halted in kind donation drop offs. The safety of our employees, volunteers, clients, children, community partners and supporters is of utmost importance to us.

Our case coordinators and counsellors are providing services to our young mothers via text, phone, and Facetime/Skype as requested, and sending out updates as they are known. Unfortunately, with many food bank locations closing down, this will be a challenging time for our clients, and we will continue to assist them to navigate this crisis.

If you have any questions or concerns, please contact us at [info@youvillecentre.org](mailto:info@youvillecentre.org), or use an employee's direct email. Please note that we will continue to post updates on our website and social media accounts, and that our online donation page remains operational.

Thank you for all that you do to support our young mothers and their children, especially in these trying times.

Stay safe and healthy,

Bev MacKillop

Executive Director
